So You Think It's Cold!

Of course it's cold. Zero weather, in any man's country isn't much fun excepting for winter sports enthusiasts.

Bundled up in warm clothes, overcoat and muffler it bites the ears and stings the toes. It may also quicken the realization of the conditions of millions in other parts of the world.

If the cold seems to reach in through a tight, snug house with the furnace going full tilt, think what it means in a windowless ruin with a feeble fire made from rubble gathered out of the ruins. Think of those who try to sleep without blankets and who face winter in the tattered remnants of their prewar wardrobe.

Maybe it will help you decide when the National Victory Clothing Campaign opens that you don't need that old but still wearable suit or overcoat so badly after all. It probably will only clutter up your closet until the ragman gets it at housecleaning time but to one of Europe's shivering millions it would be a life-saving gift of Providence.

Fertile Soil For Liberty

There is more than national pride in general gratification here over the fact that the United Nations headquarters will be set up in the United States.

This, by tradition and experience, is the kind of soil in which freedom grows. It is separated from the jealousies and intrigues which have flourished in Europe from the beginning of civilization.

This country, more than any other great power, is aloof from the quarrels which are always a part of the overseas scene and delegates to the U.N.O. will find here an atmosphere conducive to dispassionate discussion of their old problems.

There will be a setting in the shirt-sleeve informality of American soil which could not be found in the high hat surroundings at Geneva. The stage setting for U.N.O. is much more promising than that which attended the League of Nations.

Wartime Skills In Peace

Mechanized warfare taught highly specialized skills to millions of American men and women, many of whom hope to follow these crafts and professions in civilian life.

In spite of the great increase in civilian use of aviation, a recent survey shows that there are no more than 340,000 jobs in this field in which 3,000,000 men and women attained special skills during the war.

Hundreds of thousands more became experts in maintaining and operating various types of engines and hundreds of thousands more are leaving the service skilled in radio and radar. Here again, peacetime opportunities can absorb only a part of those who would welcome jobs in the field in which they served.

Industry welcomes these veterans because it has found that armed service training has been thorough and efficient but it is faced with the fact that it doesn't have enough jobs for all of them.

A Lesson In Democracy

It must be hard for the people of many lands, and especially the defendant themselves, to understand the democratic principal of free trial as practiced in the war guilt cases.

Action of Secretary of War Patterson in staying execution of Gen. Yamashita, supported a little later by similar action from the United States Supreme court, is in the American tradition of fair trial for everybody, even an enemy guilty of atrocities.

Before the verdict was given the Japanese leader had thanked his prosecutors for their fairness. The new turn must leave him quite bewildered.

If the war guilt trials are to leave any valuable lesson for posterity, they must be conducted so that there can be no question as to the fairness of the final verdict. Any suggestion that vengeance rather than justice dominated the finding would make martyrs out of those required to pay the penalty.

It is better that a guilty man go free with his infamy than that one be executed concerning whose guilt the future can hold any doubt. Yamashita probably will hang, but if so he will go to the gallows with the definite conviction that he was given his day in court—many of them—in the best tradition of free justice.

Familiar Tragedy

First the planes flew over the unfortified village and dropped their bombs. Then the artillery shelled it. Finally the infantry moved in and set fire to the town.

The attack was in reprisal for the killing of comrades by the inhabitants of the village, who in turn had avenged the bombing and machine-gunning of themselves and their defenseless homes.

Sounds familiar, doesn't it? Only this time the attackers were British, and the villagers were Japanese. The British didn't line the villagers up and shoot them. Otherwise the story isn't too different from some of the blackest pages in the Nazis' history.

Obviously the British are in Java to disarm the Japanese there. They are using American lend-lease weapons for that purpose. But a diligent daily search of the news fails to disclose any British roundup of Japs in Java. What the British are doing, and have been doing for weeks, is to wage a war for the Netherlands Empire against a people who are fighting for their independence.

Is it not possible for this government to make an effort, at least, to stop this one-sided, bloody, indefensible war? We have requested the Russians to withdraw in Iran from a fight that is none of their business. We might at least do as much in Java.

We have always been proud that our nation was

founded by colonists who dared fight to win their independence. Now that pride becomes an embarrassment that rises to plague us. At least George III never promised the American colonists self-determination and self-government. But this government is co-author and co-signer of such a promise, along with the rest of the United Nations. Why don't we do something about it?

Limpid Prose

Returning servicemen have a delightful surprise in store for them. The gentlemen in Washington who wrote the Revenue Act of 1945 have kindly defined for them the "tax attributable to pre-service earned income," which they are permitted to pay in installments.

The definition reads as follows—so help us: "The term 'tax attributable to pre-service earned income' means the excess of the tax imposed by chapter 1 for any year over the tax that would have been imposed for such year if there had been excluded from the net income for such year the amount of the earned net income (as such term was defined in section 25 (a) (4) as in force with respect to such year, except that in computing such earned net income, compensation for active service in such forces shall be disregarded.)"

Muffling over that, the veteran will probably understand why Uncle Elmer took rat poison about tax-paying time back in '44 (the year of the great forgiveness).

The Stars Say

For Thursday, December 20.

ACCORDING to the astral indications, there may be slight inclination to attend to anything of a serious or commonplace nature, since the spirit of hospitality, conviviality, romance and unusual adventure lure to paths of pleasure and indulgence. This may lead to a regrettable crisis since the health as well as pocketbook are under adverse astral conditions. Prudence, duty, proper sense of proportion should regulate the pervading holiday spirit.

Extravagance, show and excess are bound to exact penalties. Sudden romance is due to reward conservative and considerate conduct.

If It Is Your Birthday

Those whose birthday it is may have certain opportunities to make some serious effort to launch sound and lasting steps toward security, but their lukewarm tendencies in such direction may detain results. Look forward to social and domestic hospitality, conviviality and perhaps overextravagance and show.

Discretion and prudence in all such celebrations are indicated since there is a menace of penalties in the way of health, financial loss and other limitations and depressions. With care, the energies could be devoted to the quest of wise and lasting security and happiness.

A child born on this day will lean toward a life of pleasure, indulgence and extravagance rather than gain and progress.

Government officials are concerned over too many men being homeless. And some are home less than others.

Despite clothing shortages, some men have a suit for every day in the week—and, what's more, they wear it.

Penicillin Given As A Spray

BY HERMAN N. BUNDESEN, M.D.

DURING the winter months, people suffer from tonsillitis, sinus infection, and combined sinus infection and bronchitis, or sinusitis. When the sulfonamide drugs were first presented, many patients with these conditions were treated with one or another of the sulfonamide preparations and, since its introduction, penicillin has also been used in these conditions.

According to Doctor Herbert N. Vermilye of Forest Hills, New York, penicillin given by injection is of some help in acute infections of the sinuses. However, chronic or long-continued infections of the sinuses or sinuses apparently do not respond very rapidly to penicillin given in this way.

Penicillin Injections

He thinks, also, that injections of penicillin have not always given satisfactory results in sinusitis. For this reason he has administered what is known as aerosol penicillin, and found that it gave much better results.

The aerosol penicillin is used in a nebulizer of spray. In this way, the penicillin is inhaled or breathed into the body in the form of mist. The apparatus which is used is much like that which is employed for giving oxygen. It is not expensive, and the patient may carry out

the treatment at home if the physician advises it.

Before using the aerosol penicillin for sinus infections, some preparation which shrinks the lining membrane of the nose is first dropped or sprayed into the nose. Then the mouthpiece of the spray or nebulizer is put into the mouth or nose, and the patient breathes in slowly and deeply, holds the breath for several seconds, and then breathes out again.

In some cases, it was found advisable to continue treatments daily for a week or so after the infection was apparently cleared up. The mist is not found to be irritating to any great extent.

It little growths known as polyps are present in the nose it will be found that the penicillin acts better after their removal surgically.

A number of patients with sinus and sinusitis were treated with the aerosol penicillin and good results were obtained in practically all instances.

It is possible that the penicillin may be more effective when administered as a mist or spray, because it directly reaches the affected areas.

Mrs. Braman Is Speaker For Travelers

Using for her theme, "Reflections of a Rolling Stone," Mrs. Harold Braman of Washington, D. C., formerly of Salem, told some interesting incidents and experiences of her visits in other countries to members of the Travelers club at their Christmas tea yesterday afternoon in the public library assembly room.

Mrs. Braman will spend the holidays with her parents, Dr. and Mrs. Stanton Heck of E. State st.

Mrs. Richard Haines sang two vocal solos, "The Rain" and "Twas the Night Before Christmas," with Miss Ann Helm accompanist.

Miss Helm entertained with piano solos and the program closed with the singing of Christmas carols.

The refreshment table was adorned with Christmas decorations. The committee in charge was composed of Mrs. L. D. Cesna, Mrs. Percy Tucker, Mrs. G. R. Deming, Mrs. Burr Leeper, Mrs. H. A. Walton, Mrs. E. U. Whitacre, Mrs. G. E. Byers, Mrs. Lea Cobbs, Mrs. H. W. Young, Mrs. C. L. Smith, Mrs. Robert Campbell and Mrs. George Emery.

Guests of the club were Miss Eva Deming of New York City; Mrs. Lester Smith of Cincinnati; Mrs. L. A. Carrens of Akron and Mrs. James Carpenter of Salem.

Office Force of Pottery Enjoys Holiday Party

Miniature Christmas trees were given as favors at the annual Christmas dinner party given by Floyd W. McKee, manager, for the office force of the Salem China Co. last night at the Coffee Cup.

Places were arranged for 30, including three guests, Mrs. Hazel Davis and Mr. and Mrs. Emmanuel Lamping. Christmas carols were sung.

After the dinner the group went to the office which was beautifully decorated with a table set with candles and Christmas scenes. On it were gifts for each guest. The gifts were provided by the Welfare club of the organization.

Farr Class Members Enjoy Yule Dinner

A turkey dinner was enjoyed by members of the Farr class of the Christian church at their annual Christmas party last night at the church.

The table, set for 23 guests, was beautifully decorated in keeping with the season. There were Santa Claus favors. Mrs. William Schaeffer decorated the table and made the favors. A gift exchange added pleasure. The next meeting will be on Jan. 22.

Auxiliary of Elks Has Dinner Meeting

A candle light coverdish dinner was enjoyed by members of the Elks auxiliary last night at the lodge home. Miniature snow men and women were the favors. Mrs. Edward Harris was chairman of the event.

An exchange of gifts was held after the meeting. Plans were made for a white elephant party in connection with a meeting Jan. 15.

Christian Endeavor Group Entertained

Miss Martha Coulson and Mrs. Loren Pim were associate hostesses to members of the Christian Endeavor society of the First Friends church Monday evening at the Coulson home, W. Second st.

Paul Roher was in charge of the games. Christmas gifts were exchanged. The hostesses served lunch.

Margaret Freshley Weds Wilbur Couchie, Leetonia

Miss Margaret Jean Freshley, daughter of Mr. and Mrs. Perry W. Freshley of Marlboro, and Wilbur Edward Couchie, son of Mr. and Mrs. Charles Couchie of Leetonia, were united in marriage at 2:30 p. m. Saturday in the Marlboro Methodist church where Rev. H. A. Cassidy of Wellington officiated, using the double ring ceremony.

Preceding the service a piano interlude was played by Mrs. Robert Myers of Mt. Pleasant, Ia., a cousin of the bride, sang, "O Promise Me" and of Love, "You Truly." Earl Gopp of North Canton, sang, "At Dawning" and "O Perfect Love."

The altar banked with white mums, ferns and palms, was lighted with candles.

The bride, given in marriage by her father, was lovely in a gown of white satin with a semi-train. It had a sweetheart neckline, leg o' mutton sleeves, and was trimmed with ruching at the neck and waist line. She wore a diamond lavalier worn by her mother on her wedding day. She wore a finger-tip veil with a tulle. She carried a shower bouquet of white carnations on a white testament.

Sister Is Matron of Honor
The matron of honor, Mrs. Kenneth Baum, sister of the bride, was dressed in a winter aqua crepe gown, trimmed with gold embroidery. She carried a bouquet of yellow mums. The flower girl, Peggy Jo Baum, niece of the bride wore pink satin and carried a basket of rose petals.

The best man was Harold Cleckner, brother-in-law of the groom. The ushers were William Gray, of Leetonia, and Robert Freshley, of Marlboro, brother of the bride.

Mrs. Perry Freshley, the bride's mother was gowned in tulle with black accessories and wore a corsage of white carnations. Mrs. Charles Couchie, the groom's mother, wore a blue gown with black accessories. She also wore a corsage of white carnations.

Reception Follows

A reception was held at the home of the bride's parents for 75 relatives and friends. The table was centered with a wedding cake. It was three-tiered and topped with a miniature bride and groom. Mrs. Herbert Schaeffer, Mrs. Wilson Freshley and Miss Dolly Bowman poured.

The couple left for a short wedding trip. The bride wore for traveling a black sequin-trimmed dress with a green fur-trimmed coat and black accessories.

Mrs. Couchie is a graduate of Marlboro High school '33, and the Alliance City hospital nurses' school, '41. Mr. Couchie is a graduate of Leetonia High school, '38, and of Mount Union college, '42. He recently was charged from the army after serving 40 months, of which 31 months were spent overseas.

ATOMIC BOMB

(Continued from Page 1)

flew over Nagasaki. Before dropping the atomic bombs, instruments were dropped by parachute to record the effect or intensity of the blast, all by the use of radar equipment.

Crew members did not know the intensity of the bomb, which has a force equal to 20,000 tons of T.N.T., but they could see the dust rise from the city after the bombing. The tail gunner took pictures at the time, he said.

The planes left the scene of the bombing at the rate of 500 miles an hour, and two shock waves were felt as the planes left the scene, he said.

Only Two Planes Made Trip

Only two planes made the bomb runs over Hiroshima and Nagasaki with no fighter protection.

The weather was bad over Nagasaki, Buckley said, and crew members were worried about hitting the target as they did not want to miss with a bomb that cost \$60,000,000 to produce.

On the return run the planes were nearly out of gas and barely made the landing field at Nagoya.

Two days after returning from the second atomic bomb run the base simulated a Hollywood premiere, Buckley said.

"There were reporters, camera men and scientists by the dozens and everyone was in a gay mood," he related.

Kikura was to be the third target for the atomic bomb crew in case Hiroshima and Nagasaki were not hit. The success of the original assignments, however, made the third unnecessary, he said.

Buckley said that he has seen all that he wants of the atomic bomb. "It's really too hot to handle," he told the Lions in closing.

East Liverpool Mayor Veto To Be Overridden

EAST LIVERPOOL, Dec. 19.—After voting a \$10-a-month raise for firemen to put them on a \$180 pay parity with patrolmen, city councilmen today ordered a special session Dec. 28, when they will attempt to override Mayor Arnold W. Devlin's veto of ordinances, increasing \$300-a-year the salaries of the incoming mayor, council president and seven council members.

Mayor-elect O. Earl Greenawalt and fellow-members of an all-Republican city administration will be sworn in New Year's Day at a dinner here.

County Hunters Warned Against Trespassing Acts

LISBON, Dec. 19.—Game Warden Lon W. Boring today warned against trespassing and promiscuous hunting on farms in Columbiana county, after the officer's attention was called to two instances in which hunters refused to leave when ordered away by farmers. However, in each instance no charges were pressed by the land owner.

Boring said all hunters must obtain written permission from the owner or authorized agent before entering upon a farm while hunting.

BRITISH SUBJECT DIES FOR TREASON

LONDON, Dec. 19.—John Amery, 33-year-old son of a former British cabinet member, was hanged at Wandsworth prison today for high treason to his king and country. The one-time playboy was convicted of broadcasting Nazi propaganda from Europe during the war.

Poison Kills Engineer

DAYTON, Dec. 19.—Montgomery County Coroner A. P. McDonald reported that Paul Frederick Kerschbaum, 58, internationally-known chemical engineer, died of self-administered poisoning yesterday.

A Salem Lady Spit Up Acid Liquids For Hours After Eating

Hours after every meal, a Salem lady used to spit up a strong, acidulous liquid mixed with pieces of half-digested food. She says it was awful. At times she would nearly strangle. She had stomach bloating, daily headaches and constant irregular bowel action. Today, this lady eats, her meals and enjoys them. And she says the change is due to taking ERB-HELP. No gas, bloating or spitting up after eating. She is also free of headaches now, and bowels are regular, thanks to this Remarkable New Compound.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering. Get ERB-HELP! Lease Drug Stores.

COMING SOON!

Soft Water

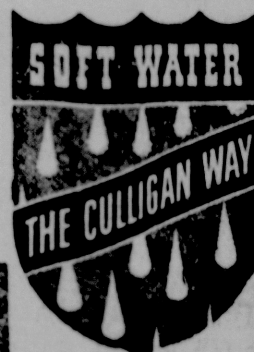

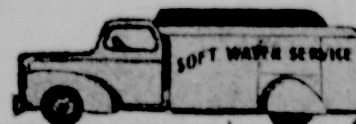

TO EVERY HOME IN SALEM AND VICINITY

Soon you can have Soft Water in your home without any investment, bother or worry.*

*INSTALLATION CHARGE \$9.50

To cover plumbing, etc., No other expense except monthly service charge.

Have Wonder-Working Soft Water in Your Home . . .

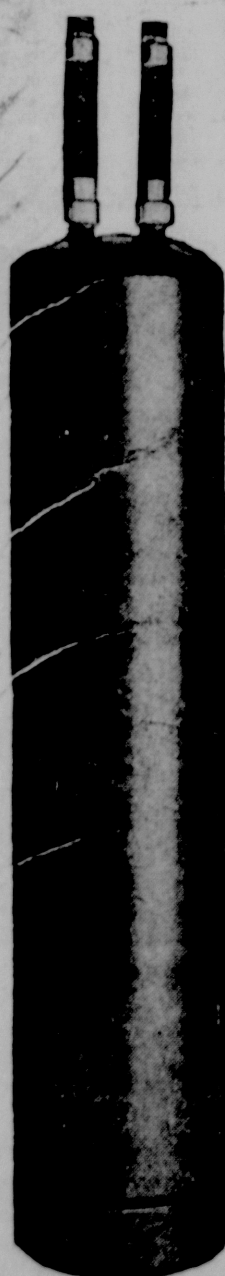

Think of it! Water, softer than rain, without any trace of hardness . . . for bathing, shampooing, dishwashing, laundering, for all washing processes...

on a Public Service Basis . . . just like electricity or the telephone. No equipment to buy . . . no work or worry on your part... we do everything for you!

The Savings are Greater than the Cost

When you use hard water, you pay for soft water service without having it. Make us prove to you that the savings from our service are more than twice the cost. We'll show you how softened water will save *over half* the soap you now use in washing with hard water... how your clothes will look better and wear longer . . . how your plumbing repair bills and fuel costs for heating water will be reduced. Zero soft water not only cleans the lime and rust out of your water pipes and coils, but keeps them clean.

Don't put up with hard water troubles any longer . . . have Culligan Soft Water Service installed today.

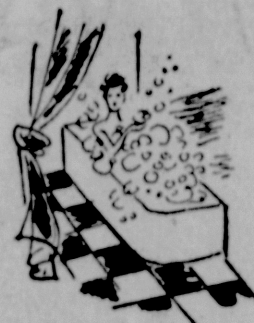

COSTS ONLY
\$2.25

PER MONTH
AVERAGE FAMILY

Here is our Plan—

Our business is soft water service. We install our service softener in your basement or utility room. We own the equipment and we take full care of it. It occupies only a very small space. It provides sparkling 100% soft water at a turn of the faucet without any investment or attention from anyone in the household. We exchange it for a fresh one at regular intervals, regenerating the old unit at our plant, NOT in your basement.

Owners of Barber Shops, Beauty Parlors, Restaurants, Filling Stations and Apartment Buildings—Investigate the economy, satisfaction and great improvement in your service gained from Soft Water—The Culligan Way.

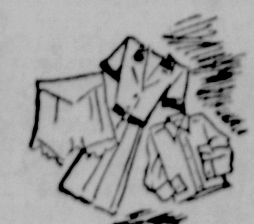

BATH—Creamy, lasting suds that make you feel really clean, yet rinse off in a jiffy, are yours with softened water in your bath. Since soft water forms no soap "curds", there is no bath tub ring to discolor the tub.

SHAMPOO—A soft water shampoo with heaps of silky suds will bring thrilling new beauty to your hair. Soap rinses out completely . . . no dull film left, just a gorgeous gleam. Dad will love his soft water shaves, too . . . and his razor blades will last for twice as many shaves.

DISHES—Scads of foamy suds whisk grease away like magic. Dishes, glasses, silver, all sparkle and gleam like new. No need to dry them with a towel . . . softened water leaves no soap scum to smear, or lime to spot.

CLOTHES—All clothes and linens wash much cleaner in soft water. No disagreeable soap curds, formed by hard water, that won't rinse out and leave washables gray and dingy looking. Clothes last longer because there's less rubbing the soft water way.

COOKING—The calcium and magnesium salts in hard water make vegetables tough and dull-looking. Soft water cooking retains garden freshness. Soft water coffee and tea taste better and use about $\frac{1}{3}$ less grounds. Softened water is better for drinking, too.

Wayne Siding Takes High Point Honors In 31-23 Win; Detwiler Shines For Losers

Building up a 20-6 advantage in the first two periods through the efforts of big Wayne Siding, the Salem Goodrich five went on to capture its first Class A contest, defeating Greenford, 31-23, at the Memorial building last night.

The locals got the jump on their more youthful opponents in the first frame when big Siding dumped in five points to give his team a 9-0 lead going into the second period. The Greenford outfit showed a lot in the way of speed and flashy ball handling but just couldn't hit the

ARMY GRID SQUAD NAMED BEST SPORT ORGANIZATION, '45

Chosen Tops of All Fields By Associated Press Poll In Lop-Sided Vote

BY MURRAY ROSE
Associated Press Writer
NEW YORK, Dec. 19.—It will come as no surprise to the nine teams that got in the way of the Army steamroller that the mighty West Point football combination has been named the outstanding sports team of the year.

The big, speedy, invincible Cadets won the annual Associated Press poll in about the same manner in which they flattened their opponents.

Poll 71 of 76
Of the 76 votes cast by the nation's sports experts, 71 of 76 first place nominations were awarded to Army, most of them with comments like "in a class by itself," "out of this world," and other superlatives. In the other five cases the National Collegiate Football Kinspins drew second place ballots. All told the Cadets piled up a total of 223 points on a basis of three for first, two for second and one for third.

Newell, Gorcheff Named To Mythical Tri-County Team

Bill Newell, Frank Gorcheff, Bob Hum and Harry McBride, all of Columbiana, and Felix Rutecki and Allan Webber of Lisbon were named to the mythical All-Tri-County league grid squad today by coaches and league officials.

Newell and Gorcheff were picked on the first team, while the balance made the second squad.

Minerva gained three first team places, Championship Louisville two, Columbiana two, East Palestine one each. Lisbon failed to place a first team man.

The two squads:
FIRST TEAM
End—Marshall McDonald (Louisville).
Tackle—Ted Lawton (Boardman).
Guard—Frank Gorcheff (Columbiana).
Center—Ted Barrett (Sebring).
Guard—Jerry Velick (Minerva).

Guard—Don Breckenridge (East Palestine).
Center—Jack Faulkner (Boardman).
Guard—Les Adams (Louisville).
Tackle—Bill Kinder (Louisville).
End—Harry McBride (Columbiana).
Quarterback—John Starck (Louisville).
Halfback—Tony Smith (Boardman).
Halfback—Bob Hum (Columbiana).
Fullback—Allen Webber (Lisbon).

Harrington Big Gun As Rams Win, 53-39

In the only Class B cage battle of the evening, the Rams opened their season by thumping the Panthers, 53-39, last night on the Memorial building court.

The game was rough throughout although no one was ejected, either on fouls or bad conduct. It was evident that both teams had their "shooting eyes" working in the proper manner.

Harrington was the big gun in the winners' attack as he connected for 22 points. Junior Parlow and Bill Scullion tallied 13 and 11 points respectively for the Panthers.

The Rams led throughout the entire game after grabbing a 13-5 edge in the first quarter. They led at the half, 22-19, and extended that margin to 41-25 going into the final period.

A game between the Wolverines and the Cavaliers went to the Cavs on a forfeit.

Louis Juliano, Star Tackle, Salem's Most Honored Man In 1945 Athletic Circles

Louis Juliano, 183-pound Senior tackle and leader of Salem High school's 1945 football team, can be justly tagged "Salem's Most Outstanding Athlete for 1945."

A veteran at a starting tackle position with the football team here for the past three seasons, during which he played every game, the husky Senior had been twice, in 1944 and 1945, chosen to The Salem News All-County first team by choice of county coaches, officials and sports writers.

He was chosen honorary captain of that team this year as he was the only player to receive the unanimous vote of all participants.

He was named, following the recent grid season, to the honor-mention list in connection with The Associated Press, United Press and International News Service All-Ohio teams.

He was chosen "most valuable player" by his teammates recently and was awarded the first Kiwanis football award for that reason.

Juliano has been active throughout his high school career in football, basketball and track. He played reserve basketball in his Freshman and Sophomore years and football all four years. He participated in track two seasons as a shot putter and won letters both years.

Scholastically, Juliano has never been an "eligibility problem" has always maintained average or better grades.

Coach Ben Barrett terms him "one of the finest tackles I have ever coached and a splendid boy to work with."

Cabasmen Maintain Powerful Scoring Machine In Second Game

Maintaining their reputation as a district basketball power, Columbiana's Clippers last night faced North Lima, 59-27, in the second try of the year for Coach John Cabas' lads.

Flu-halted in three games since the opener with Fairfield, the Clippers have been without battle experience since Dec. 4, but rebounded last night with a powerful scoring attack.

The Cabas lads found somewhat stiff going in the first period, outscoring the Lima men only 13-11. In the second period, however, Clippertown's eagles began rolling in typical fashion and chalked up 14 points to seven for North Lima, to lead at the half 27-18.

A total of 19 points in the third swamped North Lima, which only netted three points as the Clipper defenses tightened.

Top Lima Each Period
The Clippers outdid their rivals 12-6 in the final frame, also.

Lee Thomas, promising forward Junior lad, paced the top-notch Class B outfit with 16 points. Veteran Bill Newell, shifted into the center slot, caged 11 points to come in second in scoring honors.

Bobby Schwartz led the losers with a 16 point mark.

Cabas experimented further last night, starting Newell at center, Thomas and Rich Berryman at forwards and Don Eckenweh and Jim Reinher at the guards.

Holding firmly to one of the finest reserve records ever compiled in this section, Clipper Reserves won their 38th straight game by taking measure of North Lima 38-12. The Junior High team also won, 24 to 7.

Columbiana swings into home floor action Friday night, meeting an Alumni squad composed of several members of last year's top-notch team and veterans from other powerful Clipper squads of previous years.

UCLA and Illinois Partisans Anxious to Get 'Ebony' Man As Player For Own Eleven

By RUSS NEWLAND,
Associated Press Sports Writer
SAN FRANCISCO, Dec. 19.—The "Ebony Streak" of football will be getting out of the Navy before not too long now, at least before the 1946 pigskin thumping begins. The "Ebony Streak," of course, is Claude "Buddy" Young, who hurried the Fleet City Bluejackets through an undefeated season, just finished.

Will "Buddy" Young return to the University of Illinois where he was the Freshman backfield sensation in 1944? Or will he wind up at the University of California at Los Angeles where such other Negro stars as Kenny Washington, Jackie Robinson and Woodrow Wilson Strode earned lasting athletic fame?

There is a powerful tug of war going on behind the scenes now between alumni, students and friends of the two universities. Young recently informed an Illinois official, so we learn, that he intends to return to his old school.

UCLA Hopeful
But UCLA partisans haven't given up. In Los Angeles' populous Negro quarter, the elite and influential of Central ave. are leaving no stone unturned in efforts to convince Speedy "Buddy" that UCLA offers many advantages.

When Fleet City played in Los Angeles recently Young was the honored guest at Central ave. functions after the game.

All of this activity in behalf of Young is extra-curricular, so to speak, and inspired in good faith by Los Angeles residents of his race. They want him to become a permanent citizen of the community. The fact he is the fastest half-back in the country and has three years of college football eligibility ahead of him, has some bearing on the case, however.

It should be understood that members of the UCLA athletic staff have no hand whatsoever in the "Young to UCLA" movement. It also is reasonable to assume they will not try to discourage the Young man if he seeks registration at the school.

Sinkwich Leaving Sports
ATLANTA, Ga., Dec. 19.—Frank Sinkwich, former All-America back at the University of Georgia and voted the most valuable National Professional league player in 1944, is hanging up his cleats and will devote his efforts to running his cafe at Youngstown.

Sinkwich, recently discharged from the Army, said a recent knee injury prompted him to retire from football.

Boyle's COLUMN

By HAL BOYLE

SHANGHAI—America's spick and span navy is still dazed from the impact made upon it by Chinese central government troops it ferried to Formosa and North China.

These joint operations also had their effect on Chiang Kai-Shek's tennis-shod soldiers.

"They certainly lead a different life from that of American troops," said Lt. Dale Boey, commander of an LST which made two lifts of the Chinese troops to Formosa. "But they would do anything you told them if you could just get across what you wanted."

Boey sympathizes with China's landlubber army because until he went into the navy two years ago he had never been in a vessel larger than an old fashioned bathtub.

Now the navy is releasing him from further service and sending the lawyer back to his old happy world of courts, suits of replevin, writs of mandamus and his household of boys in Kansas City.

During 17 months of sea duty aboard the 4,000-ton LST 627 neither Boey nor any of his men suffered a scratch although they shot down two Japanese planes and made battle landings on the Philippines and Okinawa.

But his experiences in Shepherding Chinese occupation troops to Formosa are among his more vivid memories. Like the time Chinese officers smuggled aboard their wives disguised as nurses and sons as "buglers."

"They ate so much rice we could smell it on the ship for weeks afterward," Boey said.

"They cooked it on deck over charcoal fires in earthenware urns. During storms we had to take over for them and kept a 40-gallon copper boiler going 12 hours a day to keep their rice bowls full."

Because of numerous cases of dysentery among the troops and fear of a cholera outbreak, they were restricted to the tank deck and the forward part of the main deck.

"They slept by the hundreds on straw mats laid on the bare iron deck," said Boey, "and everytime the ship rolled they got sick."

Scores of these farm boys and coolies in uniform were unable to distinguish between ordinary deck fixtures and plumbing equipment and it became necessary to string electric lights into all dark corners. The situation improved only after the Chinese army set up demonstration teams ashore to teach latrine lessons to new troops.

Ex-Soldier Buys Plane

PITTSBURGH, Dec. 19 — War Veteran Charles E. Carroll of East Liverpool, O., today is the owner of a low-wing monoplane—bought at a sale here of war surplus property. Carroll, an ex-serviceman, was able to buy the \$975 plane at a 20 per cent discount under Reconstruction Finance Corp. regulations.

OPPORTUNITIES

Opportunities to buy to advantage are found daily in The News classified advertising columns.

Reminds Motorists Of Speed Limits On Streets, Highways

Many automobile drivers apparently are unfamiliar with speed regulations and limitations on the streets and highways of Ohio, according to A. P. Morris, manager of the Columbiana County Motor club.

When passing a school building or grounds during recesses and when children are going to or leaving school, the speed limit is 20 miles per hour.

In all other parts of a municipal corporation, except on state routes and on through highways outside business districts, speed must be limited to 25 miles per hour.

A speed of 35 miles per hour shall not be exceeded on state routes or through highways within municipal corporations outside business districts. On highways outside of municipal corporations, the limit is 50 miles per hour.

Drivers must not operate their cars at any time at a speed which is not reasonable and proper, taking into consideration the traffic, surface and width of the highway and other existing conditions.

In addition, drivers must not operate at such a slow speed as to impede the normal and reasonable movement of traffic, except when reduced speed is necessary for safe operation or in compliance with the

law. Observe the rules—keep out of trouble—SAVE A LIFE!
